How to get the most from this Relationship Report

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

All about Amber`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Queen of Clubs Person

The Mother of Intuition Card

All Queens are service oriented and receptive in nature. The mental nature of clubs inclines the Queen of Clubs to deal in the publishing trade, secretarial work, or among the more aware ones, psychic work. Being Queens, they are always aware of their place in the royal court and resist anyone trying to mold them in any way. Their displaced card, the Three of Hearts, as well as the Five of Clubs in their Venus position, tells us that indecision about love and friendship makes it hard for them to find lasting happiness in these areas. Their mental gifts are abundant and whether or not they realize it, they are always receiving knowledge from the 'other side'. These people have incredible organizational minds but live life at such a high pitch that they are often stressed out or overdoing it.

The Ace of Spades in Jupiter promises many rewards if and when they follow spiritual or psychic lines of work or pursuits. They have a deep heritage of knowledge from past lives that is always available. The Queen of Clubs is also known as the 'Mother Mary' card and many of them have one or more 'children' for whom they must make sacrifices in their life just as the Virgin Mary had to undergo the sacrifice of her son Jesus.

The Queen of Clubs often has two jobs and does best where there is some creative expression and freedom of movement. They are proud and do their jobs well.

Some of the Queen of Clubs Issues Concerning Relationships

Though many Queen of Clubs get married, not all of them are happy about it or make a success of it. These people have powerful minds and wills and not many partners can handle them and their willful ways. They also carry with them the karmic seeds for one or more difficult relationships that will be brought into fruition at some point in their life. For this reason, many of them

All about Amber`s Birth Card

try marriage once and then renounce it for the rest of their life. Some of them change their mind a lot about what they want as well. This can make their partners feel very insecure about their love and thus create separation. They operate on higher frequencies and thus their partner must have some mental ability and communications skills to make it work. There is a certain amount of indecision emotionally as well that adds to the challenges they have to deal with each time they fall in love.

One of their biggest challenges is to let their loved ones be themselves without trying to change them. Letting go of personal attachments can be difficult for someone who shies away from the feeling side of their natures.

All about Amber`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Ten of Spades as Your Planetary Ruler

This ruling card tends to make you a person who goes to extremes at times. When you get into something, you really get into it. You can be a workaholic and probably feel somewhat burdened by your work a lot of the time. You also have some desires for a settled and satisfying family life that may seem to compete with your ambitions at work. You do have the ability to take on enormous amounts of work and get it done and you can harness energy that few others could in the same situation. You desire to be known for something, for something you have done or created, and you will work like crazy until you achieve it. There are probably uncertainties surrounding your intimate relationships which could add to your inner conflict between love and work.

All about Allixe`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The King of Spades Person

The Master Card

The people of this card are masters of anything they decide to do. Unless the men decide to stay as Jacks, they always rise to the top of their chosen profession. However, it is interesting to note how many of the men get involved in the arts and entertainment fields and forego most of the power at their disposal. As the most powerful of the Kings, the King of Spades is equipped to handle enormous responsibilities and many have become some of our greatest leaders. It seems that this commission is too great for some of them to bear. I have noted that many of the King of Spades males choose to take the less responsible and more fun and creative path of the Jack of Spades, their Personality Card.

In any case, the King of Spades is the last and most wise and powerful card in the deck. They have a high regard for wisdom, a love of learning, and are willing to do whatever it takes to achieve success and recognition to the extent that they desire. They are capable of managing the largest organizations but don't always make that their chosen line of work. These people are completely 'fixed'. They will not budge or change for anyone and have tremendous inner strength and resolve. However, these same qualities make most life changes very difficult for them to deal with.

They have indecision about love and close relationships and often they forego marriage for a single life. They are always enterprising and ambitious, rarely lazy or of a lower persuasion. Even though they don't all reach a high place, all of them have the wisdom and rarely do they sink down to lowly acts. With all their abilities, they are often discontent. This can be interpreted as progressiveness or dissatisfaction. When they go within, to the spiritual realms, they are able to penetrate the deepest secrets with ease. These are the MASTERS of our physical and spiritual universes.

Some of the King of Spades Issues Concerning Relationships

All about Allixe`s Birth Card

The area of love is one area where the King of Spades has the most challenge. They tend to take a very mental approach to the subject and because of this, changes and indecision are sure to result, which also leaves them feeling insecure and uncertain. This uncertainty can extend even into their sexual roles. Their karmic pattern also tells us that there will be betrayals at certain times in their life as well. Some of their greatest life lessons involve learning to let others be who they are and releasing emotional attachments to those they love. Combine all this together with their powerful will and we find that many of them forego ever letting anyone get very close to them.

All about Allixe`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Five of Clubs as Your Planetary Ruler

This ruling card reflects a very restless side to your personality. Because of it, you are fond of travel, changes of residence and meeting new people. This card also gives you more than average ability to sell or promote products and services. So, you would fit in the role of traveling salesperson quite readily, though this by no means is a sure indication of what you do for a living. The restlessness of this card extends to your romantic life as well. Whether you admit it or not, you probably have a problem with long-term commitments. This could be reflected as your choosing partners who cannot commit just as often as you not being willing to. You have a thirst for adventure that keeps you searching for what lies ahead, and perhaps often leaving the past behind.

All about the Love Connections you share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

The First Connection Between You

Amber

Allixe

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

Amber is the Mars Card to Allixe

Location: Life Spread

Amber has a definite impact on Allixe in this relationship. She has a way of making Allixe feel stimulated. Often this stimulation can be of a sexual nature. For this reason, the Mars connection is often a deciding factor in our choice of partners. There is no doubt that Allixe was or is attracted to Amber on this level. He may enjoy this energetic connection or, at other times, be annoyed by it. If Allixe sometimes gets mad at Amber, this is because Mars energy can be destructive at times if not harnessed and channeled into positive pursuits. The things that turn Allixe on may also be the same things which anger him at other times. This is how Mars energy works with everyone. It is a fact that the relationships we desire the most are usually the ones that can stimulate the most hostility at other times. When Mars energy is not used constructively it can result in fighting, resentment, hostility and in some cases, all out war.

But Allixe can use this information and consciously transform the often negative effects of this Mars connection into positive directions. It is not that difficult to keep a Mars relationship healthy. It just requires some awareness and thoughtfulness. Amber can actually be a catalyst to get him out of the house and doing things. To give this powerful Mars energy something constructive to do, it is recommended that Amber and Allixe go outside and do things together, or at the very least, find something productive to do together with this energy. Couples with this connection usually go walking, hiking, jogging, riding bicycles or participate in other forms of physical exertion. All of these and others serve to exhaust the Mars energy and satisfy it. When they do these sorts of activities together, they will always notice that they feel better, both personally and about each other, afterwards.

If Amber and Allixe have any desire to work together, they have found the perfect partner to do it with. Many successful working partnerships have this valuable Mars connection. But even in this case, Allixe should be on the lookout for the anger and competitive sides of this influence.

The First Connection Between You

Amber

Allixe

Because Allixe is the one who is on the receiving end of this powerful Martian force, it is likely that he has 'anger issues' to work out that are stimulated by Amber's presence in his life. It may appear that Amber seems intent on doing things that make him mad, even without knowing it. If Amber realizes this, she will be less likely to take offense at his reactions and words. In fact, Amber is probably not doing any of the things that Allixe thinks she is doing. This connection tells us that Allixe is the one who is the most influenced by this connection, and so he is also the one who bears the greatest responsibility for dealing with the emotions that are associated with it. If there are other Mars connections between them, this becomes even more important. Anger is actually a mistaken belief that others are intentionally disregarding us or trying to hurt us in some way. This 'misbelief' can be dismantled with awareness of what is going on and maintaining good communications.

This connection provides a lot of the spark and magic in this relationship. If Amber and Allixe use it with care, it can bring them much of what they want out of life. Any negative manifestations of this powerful energy can be controlled and eliminated through conscious awareness and when this is the case, it becomes like a genie in a bottle who can grant them all their wishes.

Affirmation for Amber: I am aware of how much I stimulate Allixe and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Allixe: I accept Amber as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.

The Second Connection Between You

Amber

Allixe

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Allixe is the Venus Card to Amber

Location: Life Spread

This is a wonderful connection for any kind of relationship and guarantees that Allixe and Amber can be good friends at the very least. The fact is that they both have a lot in common. This gives them many things that they can share and do together. It is a wonderful sign of compatibility and adds a lot to the potential of this relationship to be successful.

In particular, Amber just adores Allixe. Even though she may get mad at him at times or irritated by things he does or says, there is an underlying current of love that is always there that Amber can tap into and experience at any time. This essential compatibility helps them be 'friends first, everything else second' in their relationship. This 'friends first' attitude will help them when conflicts arise. It will allow them to let go of personal demands in order to be a friend to their partner. This can have a powerful positive effect on the relationship and allow them to resolve difficulties in a relatively short amount of time.

It is also very likely that Allixe and Amber have a similar, if not the very same, set of values. This means that they give importance to similar things in life. They may have similar life goals or directions, or merely like the same kinds of pleasures.

This is also a pleasure aspect. Sexually, Allixe and Amber should be very compatible. They will enjoy similar experiences and have similar likes and dislikes. This makes their time together more enjoyable and gives them many options and possibilities of things to do together.

Put all of this together and we can see that Allixe and Amber have very good chances of success as a couple. Unless other connections between them conflict heavily, this one connection alone can be a guarantee of high compatibility. To get the most out of this connection, Allixe and Amber only need to remind themselves from time to time of all the wonderful things they share and focus on those things.

The Second Connection Between You

Amber

Allixe

Affirmation for Allixe: I love being with Amber, with whom I have so much in common, and enjoy being appreciated so much by her. I think we could spend our entire life together.

Affirmation for Amber: I appreciate all that Allixe and I have in common. It is the many things that we share that make our life together so enjoyable. I tell Allixe just how grateful I am for his presence in my life.

The Third Connection Between You

Amber

Allixe

Amber is the Neptune Card to Allixe

Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is the strongest psychic connection that two people can have. It is a psychic link that exists because the two people in this relationship shared a past life together in which there was a lot of attention placed upon the idealism of their being together. They could have easily been co-members of some religious or spiritual fellowship, sharing the same beliefs and religious practices. They probably had the same goals of helping humanity or of spiritual attainment in that lifetime. In this lifetime they come together with a strong spiritual and psychic bond that is often difficult for them to describe.

What is interesting is that in the current lifetime, neither one of them may even have any interest in spiritual matters. When this is the case, we usually observe that their relationship instead has a lot of idealism and fantasy involved in it. This would be especially true if this connection is one of the first between them. Allixe is the primary receiver of this Neptune energy and so he is the one who is more likely to have ideals and fantasies about Amber and their relationship. Indeed, one of the reasons for their being together may be for Allixe to learn the difference between dreams and reality. We all have some unfulfilled soul-level fantasies that are strongly stimulated when we meet someone who is our Neptune Card. It is through these relationships that we get a chance to experience the pros and cons of these kinds of energies and just

The Third Connection Between You

Amber

Allixe

how our dreams and ideals work themselves out in this material world.

For this reason, this connection could add a very positive element to this relationship or it could be the cause of a lot of confusion and disappointment. If Allixe projects many of his fantasies and unfulfilled desires onto her, Amber could feel as though he does not love the real her, only his projections. This could make Amber tire of this relationship as she is not being loved for who she is really is. Or, she could use the fact that Allixe is somewhat deceiving himself to take advantage of his weakness and go along with the deception in order to get things from Allixe that she wants. These are some of the more common, negative expressions of the Neptune connection.

The positive expressions of this connection are great, wonderful and unusual romantic beginnings, inspiration in being together, an incredible psychic link to each other and romantic feelings that never die. On the spiritual level, Amber and Allixe may feel as though they have a special purpose in being together, one in which they will help the world in some significant way. To keep this relationship on the positive side, Amber and Allixe only need to have an awareness of all the manifestations, both positive and negative. By just being aware, they will always have a choice in how they want this connection to add to their lives together.

Affirmation for Amber: I realize the unusual power I hold over Allixe and consciously direct our activities together in positive directions. I realize that I may not be all of what he thinks I am, but I am encouraged by his seeing the highest in me. He inspires me to reach my full potential and for this I am grateful.

Affirmation for Allixe: Amber reveals to me my deepest dreams and desires and in many ways she fulfills them. I use her influence to inspire me to do my best and to reach my fullest potential. I am grateful for Amber's presence in my life.

The Fourth Connection Between You

Amber

Allixe

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Amber is the Jupiter Card to Allixe

Location: Life Spread

This is a wonderful connection that is often found among the cards of happy and productive relationships. One of the main benefits of it is the financial end but it has other significant benefits as well. Jupiter is known among astrologers as the 'great benefic'. It is the only planet in our solar system that gives off more energy than it receives from the Sun. Its location in our natal astrological chart always points to some area of our life where things come easily to us and where we have many blessings to be thankful for. In this relationship, Allixe has much to be thankful for, thanks to Amber, because she is a major blessing in Allixe's life.

These blessings may take many forms but they are often of the financial nature. Even though as a couple Amber and Allixe may not be wealthy, Amber definitely likes to give things, including money, to Allixe. This natural inclination to give is one of the signs of prosperity consciousness. Therefore, if not now, it could lead to great financial success in the future. This is an especially strong possibility if Allixe expresses and feels appreciation for Amber. Appreciation is one of the most important keys in obtaining prosperity. If Allixe will allow the appreciation engendered by this connection to grow, and if he expresses this verbally, this relationship could bloom into a prosperous and happy life together where there is much more money and things than they could ever use or need.

On other levels the Jupiter connection can bring blessings of many forms. There could be a sharing of philosophies and spiritual ideals. Amber may provide beneficial guidance and inspiration to Allixe. Essentially she will have a natural desire to give whatever she has that Allixe values. If Allixe wants to see the blessings in this relationship grow, just remember to feel and express the appreciation, as was mentioned earlier.

This connection increases the overall compatibility between Amber and Allixe to a good degree. The fact that they have this connection points to some good karma for both of them, something that they earned by doing good deeds

The Fourth Connection Between You

Amber

Allixe

for others in the past. It is a sign of good fortune and if harnessed in the ways mentioned above, will develop into one of the cornerstones of their happiness together and provide the prosperity that will ensure an abundant and happy future.

Affirmation for Amber: I am glad to be a blessing in Allixe's life and hope that I can give him all that I have to give. I allow myself to express my generosity in its fullest with no expectation that Allixe must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for Allixe: I am grateful for the presence of Amber in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings and transform our relationship into a powerful force for prosperity, peace and abundance.

The Fifth Connection Between You

Amber

Allixe

Allixe is the Mars Card to Amber
Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is one of those 'instant recognition', past-life connections that is responsible for many marriages and friendships. This connection tells us that Allixe and Amber have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Allixe and Amber will feel some sort of familiarity when they meet, and there could be a strong attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

In particular, Allixe is a strong stimulant to Amber. He will either excite her, make her angry or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives.

The Fifth Connection Between You

Amber

Allixe

Therefore, Amber will have a great responsibility to channel this energy into positive activities. Lovemaking is a wonderful outlet for this energy and there is no doubt that passion exists for this couple. In many cases, this connection exists between a couple who had unfulfilled passion for each other from the past life in question. It was an unconsummated love that for whatever reason, was never allowed to run full circle. Now, when they meet in this lifetime, the passion is right there, as if it had just been waiting for them to meet to be realized. 'Lust at first sight' might describe it quite well.

But there is an equal possibility that Allixe and Amber were involved in some other sort of relationship in that lifetime which resulted in unresolved feelings of anger or hostility. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into love. Other connections between Allixe and Amber may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other.

Regardless of the reason for their getting together, in the here and now they will have to come up with a formula to deal with this Mars energy they share. One of the most positive outlets for this energy is to work together. As a matter of fact, most of the couples who have successful working and romantic relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Allixe and Amber will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, Amber is probably the one who allows Allixe to anger her. Because Allixe is her Mars Card, she is the one

The Fifth Connection Between You

Amber

Allixe

who is reacting to Allixe as a Mars influence. She also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for Amber and she probably chose Allixe to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Amber may be affected a little more since she is the one receiving most of the Mars energy. If Allixe and Amber take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Allixe: I am aware of how much I stimulate Amber and understand her feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Amber: I accept Allixe as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

The Sixth Connection Between You

Amber

Allixe

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Allixe is the Cosmic Reward Card to Amber

Location: Life Spread

This connection is often found between couples who are either successfully married or otherwise committed to being together. Our Cosmic Reward Card is often someone with whom we are destined to be with, usually later in our life. It doesn't have to be in the later years of our life, but usually, this is the time in our life when we have completed much of our own personal transformation and have gotten to know just what things and people make us the most happy. In this relationship, Allixe is the Cosmic Reward, or Blessing, Card of Amber's. Therefore she is the one who is receiving this blessing and reward energy from Allixe and this connection affects her the most.

Just how Amber will experience this connection will be directly affected by her attitude and the measure of her own consciousness about her life. If she is someone who has learned a lot about herself, both her gifts and her challenges, then she will probably experience Allixe as an important blessing in her life that she derives much pleasure and happiness from. If, on the other hand, Amber is still getting to know herself and hasn't yet dealt with the challenges and changes that are represented by her Pluto Card in the Life Spread, she probably finds Allixe to be a great challenge in her life, someone who seems to confront her often, or remind her of what she may become, but is not. It is important for Amber to become familiar with the meaning of her Pluto Card and how that represents some of the internal changes that she will have to make in this lifetime in order for her to fully understand her relationship with Allixe. The Pluto and Cosmic Reward Card are closely related, one precedes the other. It is after we have met the challenge implied by our lifetime Pluto Card that our Cosmic Reward Card is able to manifest its fullest blessings in our life.

Allixe is influenced by this connection in that he is encouraged to give of himself to Amber. He naturally wants to give to and share with Amber all of the things that he feels are blessings in his own life. This giving can help create a powerful bond of mutual generosity and appreciation between them, which

The Sixth Connection Between You

Amber

Allixe

can become one of the foundations for a beautiful and long lasting marriage or other relationship. However, for this to happen, Amber must express the appreciation she feels for Allixe's contribution. The Cosmic Reward connection implies that this may be more difficult to do if Amber is still wrestling with some of her own basic personal issues. However, she may sense the importance of Allixe anyway and be acting on instinct in her attraction for him. It really doesn't matter in one way of looking at it - if Amber stays with Allixe long enough, these blessings are guaranteed to show up and become a positive influence in their relationship. This is one of those connections that is like a fine wine - the older it is, the better it is.

It can help us feel that everything is as it should be and that nothing that occurs in our life is without a perfect and loving purpose. So, this is the potential for Amber in this relationship and for Allixe as well if Amber allows these influences to be appreciated. And remember that with this connection, time is always on their side. The longer they remain together, the better it will be.

Amber is the Moon Card to Allixe

Location: Life Spread

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long term commitments. When someone is our Moon card, we feel very close and comfortable with them.

In this relationship, Amber is a Moon Card influence to Allixe. Her presence in Allixe's life is like a healing balm that soothes him. She provides Allixe with nurturing support and a sense of foundation, security, home and settledness. Allixe, on the other hand, brings many good things into Amber's life. He brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship. In this relationship Amber and Allixe have a strong communication link. This makes it easy for them to share ideas, thoughts and feelings and makes this one of the highest connections that exists for overall compatibility. Whether they realize it or not, Allixe is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

When we envision the ideal male/female relationship, a symbol that comes to mind is the Sun and Moon. One rules the day, the other, the night. One is fire and the other water. Together they balance each other out and fulfill each other's vacant spots. The Sun warms the water (Moon) and the water cools the Sun. This is the most ideal connection for a couple who have these essential male and female qualities and nearly guarantees the success of the relationship. Thus, it is not surprising how many successful marriages are based upon this important connection.

Keep in mind though, that this connection only supports partners who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended unsuccessfully because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Amber is not willing to be the supportive, nurturing person in this relationship, or if she is unwilling to take the back seat to Allixe

Allixe

in key situations, this relationship may not last. Likewise, if Allixe is unwilling to provide leadership, perhaps because he doesn't have any clear direction for his life, then the same result is likely.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them and usually dictates how they are together. When Amber and Allixe are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Affirmation for Amber: I am very grateful for Allixe's presence in my life. He is a breath of fresh air that is always bringing me new and wonderful things. I love our communication together and enjoy being Allixe's support person. It feels natural to give of myself in this way.

Affirmation for Allixe: I am grateful for the presence of Amber in my life. I feel that I have found a perfect partner that supports me in the directions that I feel are important in my life. I appreciate all the wonderful things that she does for me and our easy and natural communications.

Allixe is the Venus Card to Amber

Location: Spiritual Spread

This is one of those 'love at first sight' connections that is responsible for many successful marriages and friendships. This connection tells us that Allixe and Amber have shared some past lives together. In at least one of those lives, they were involved in a long-term relationship into which they each had to put a lot of effort in order to maintain harmony and compatibility. In that lifetime, they developed a deep love and respect for each other, as well as trust. Now, when they meet in this lifetime, they almost immediately sense this other soul with whom they have shared so much. They may or may not actually enter into a committed relationship during this lifetime, but what matters most is that a love exists between them that was already there, which will remain forever more.

If they do decide to get together again, they have what few other couples have and that is a great head start. Because they have already worked out the mutual trust, respect and admiration for each other, they can immediately advance to a very compatible and harmonious life together. They may or may not actually have much in common. In this lifetime, the personalities that they have may be much different than before. Other connections, especially among the Planetary Ruling Cards, will reveal how their personalities actually interact in this lifetime. There are cases where the personality differences are so great that it becomes impractical for them to be together as a couple. The love is there and it is strong, but their personal directions may be much different in the current lifetime. In those cases, the love is recognized and acknowledged, but never completely consummated.

This connection makes believers of those who doubt that love is forever. The fact that Allixe and Amber have found each other is a sign of good fortune for both. These kinds of relationships only happen to those who have some purity of heart and who are aware enough to recognize the value of it. So, we can say that Allixe and Amber have reached some high degree of loving in order to have found each other again. It is a good sign and a blessing.

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is one of the past-life connections that tells us that Allixe and Amber have already been together before. In fact, in that previous lifetime, they developed a true friendship and mutual respect for each other that has carried over into this lifetime. Now, they can enjoy those qualities and use that to build an even stronger relationship. However, both should know the implications of this connection, which tells us that it is not ideally suited for all couples. Allixe and Amber have a great possibility here, but also possibly a great challenge. It all depends upon how well they are able to allow each other that personal freedom, especially when that freedom may scare them or leave them feeling uncertain. The Uranian relationship is certainly not for everyone. It is for those who want to experience the highest form of unconditional love in the context of an intimate relationship.

In particular, Amber may be the one who is most affected by Allixe's behavior. At times he may seem to act in such an unexpected manner that Amber is taken off balance by him. If she places big demands or expectations

upon him, Allixe will seem to be even more uncontrollable and unpredictable, which may engender even more uncertainty for her. This is because Amber is the one who is receiving the Uranian energies the most, unless other connections point out that Allixe is also receiving some. In any case, the call here is for Amber to drop her expectations and learn to appreciate the time and things that she does share with Allixe, instead of focusing on the parts that she is not getting the way she wants. This can be an easy lesson or a hard one, it depends mostly on Amber and her attitudes. We might say it is a matter of having both faith that Amber will get her needs met and her having appreciation for all that she does have in the context of this relationship.

However, this connection tells us that Amber has already learned these lessons in the prior lifetime. She probably will not have such a hard time of it. Most of the relationships with this connection are good friendships. Both partners usually have separate careers or lives, but allow each other the space to do as they please without placing big demands upon each other. They truly enjoy the time they spend together but do not require that this time be scheduled into their lives, as if there wasn't going to be enough of it. It would be well for both Allixe and Amber to model themselves after these ideal characteristics, which is the Uranus connection in its highest expression.

The Uranus connection often provides a psychic link between partners. They just seem to know what each other is thinking or doing. Sometimes they can transmit thoughts to each other. It is really a beautiful thing when a Uranus relationship is working well. Both partners are relaxed and unconcerned as to whether or not they will see each other again. They both feel the love they have for each other and that is enough. The time they do spend together is like the icing on the cake, and another chapter (and adventure) in the book of their friendship.

Affirmation for Allixe: I realize the powerful effect I have on Amber. Though I will never allow her to control me or dictate my actions, I will express my love to her so that she knows that I really care.
